

International orders

Shipping to Canada starts at \$10.00.

Rest of the world starts at \$14.00. This is for up to 225g (8 oz), so I can usually send a few miniatures for this price.

Your country's import duties, taxes and charges are not included in the item price or shipping charges. These charges are the buyer's responsibility. These charges are normally collected by the delivering shipping company or when you pick the item up; they are not additional shipping charges. Please check with your country's customs office to determine what these additional costs will be prior to buying. I do not mark merchandise below value or mark items as "gifts". US and international government regulations prohibit such actions. Thank you for your understanding.
